

## What is Word & Action?

- **Word and Action, Inc. (W&A) is a nonprofit organization that aims to prevent and/or decrease occurrences of child sexual abuse, and all other types of child abuse in our community.**
- **W&A promotes a culturally based approach to child sexual abuse prevention and treatment while expanding its partnership and network at the national and international level. W&A works as an advocate for sexually abused children worldwide.**
- **W&A develops several prevention programs to address issues such as: Parenting, Juvenile Delinquency, infant Mental Health, and Child Sexual Abuse.**

## BUILD STRONGER FAMILY

### Trainings & Seminars

For more than four years W&A has been providing, conferences, trainings, and seminars in different settings including schools, churches, community centers, and mental health agencies. One of our most popular topics is "our culturally based approach to service delivery." For information contact us at:

# “The First Five Years Last Forever”

## The Benefits

- Your child/ children will learn how to best behave at home and school.
- Your child/ children will learn safety measures against abuse and sexual predators.
- Parents will learn better ways and effective strategies to deal with and modify their children's challenging behaviors.

## Training for Parents & Children

### Cultural Influence and its Impact on:

- How to Discipline
- Parent/Child Relationship
- How to Communicate
- Abuse (Physical, Emotional, and Sexual)
- Alternatives to replace negative reactions and interventions so that the family can remain strong.

Parenting is about having options and alternatives. Once attending our trainings you will have an opportunity to increase your knowledge, celebrate your success and expand your parenting skills.

## Parent / Child Relationship

In an enjoyable learning environment through games and play, you will: Learn developmentally appropriate interaction with children.

- Increase awareness to the child's needs.
- Improve knowledge and understanding of different stages of child's development.
- Improve effectiveness in parenting skills.

Word and Action is implementing trainings and seminars for parents, teachers and teachers' aide to help them develop responsible, cooperative, and self-disciplined children.
